✓ OFQUAL REGULATED

✓ CERTIFICATE VALID FOR 3 YEARS

COURSE OVERVIEW

This Quallsafe First Aid At Work training course will provide you with the skills and confidence to become your workplace first aider.

Along with being able to deal with First Aid emergencies attending this course will also support your business in regard to compliance with the Health & Safety (First Aid) Regulations 1981.

During this 3 day course you will cover both theory and practical elements of First Aid.

The course will conclude with a practical assessment.

On successful completion of this course you will receive a Quallsafe Award certificate which will be valid for the next 3 years.
