✓ CERTIFICATE VALID FOR 3 YEARS

COURSE OVERVIEW

The QA Level 3 Award in First Aid at Work (RQF) Refresher course is specifically designed to allow first aiders to renew their first aid at work qualification when their certificate is due to expire.

During this 2 day course, learners will have the opportunity to practise essential first aid procedures, as well as learn the latest techniques for dealing with emergency situations and managing injuries and illnesses in the workplace.

What's more, as a regulated qualification, employers can book this course for their employees and rest assured that they have fulfilled their legal responsibilities for providing quality first aid training, without having to undertake any lengthy due diligence checks.

*All requalifying first aiders must have previously completed a First Aid at Work course.
